TAYLORED PICKLEBALL  
INITIATIVE

## Personal

Cam was first introduced to Pickleball by his uncle over 12 years ago. His love and passion for the sport and its community grew and developed into a business. After moving to the Georgian Triangle with his wife and their small family he recognized that there was a desire for Pickleball in the area. Through hard work and dedication and with the help of fellow Pickleball lovers, the Georgian Triangle Pickleball Club was established. The focus of the club was to foster a love of Pickleball in those who had never played, create a learning environment for those who were ready to develop their skills and introduce the sport to a community that was ready. From these beginnings, **Taylor'd Pickleball Academy was founded as a family business and is a way for Cam to combine and share his passion for Pickleball with everyone he meets.**

## Coaching/Developing

Cam is a **Level 2 Certified Pickleball Teaching Professional** through the IPTPA and has been coaching pickleball for the last 7 years with over 3000 hours of on-court experience. He is the club professional for Headwaters Racquet Club, Sudbury Indoor Tennis Centre, True North Courts, Lighthouse Point, Thornbury Pickleball Club and Wasaga Beach Pickleball Club among many other partnerships across Ontario and Canada.

The mission of Taylor'd Pickleball Academy is to provide the highest quality lessons, clinics, boot camps and club events in a fun, challenging, learning environment. **Cameron's ability to relate and connect with players is one of the valuable skills he brings to the court.**

When combined with his proficiency for identifying opportunities and improving a player's overall game any participant leaves with a positive experience and more confidence in their abilities. His ability to create a learning environment that is both light and fun makes the sport accessible to players of all skill levels.

**Don't be surprised if you hear music and laughter coming from the pickleball courts when Taylor'd Pickleball Academy is in town!**
